**Hired to Boom Reed.**  
J. B. Rickman, formerly Mayor of Sedalia, was in Versailles several days this week representing Rickman's Laboratory which manufactures a staple hair tonic, while he also is traveling agent for the Twentieth Century Farmer, a journal published at Omaha, Neb. Ex-Mayor Rickman is a 300-pounder and a mixer of no mean proportions. He has been in over a dozen counties throughout this state within the past few months and has talked to hundreds of Democrats. He has no hesitancy in stating that the older element of the Democratic party in all sections are for Joseph W. Folk for Governor, the sentiment cannot be changed unless something unforeseen develops—but it will have to be very marked, even then, to cause a change. He declares that the rank and file of the party will not allow the few leaders and leaders to steal delegations to the next Democratic State Convention, and that no one or two men can carry the vote in his vest pocket. He was at home in Sedalia when the Reed meeting was held in which the Kansas City Mayor announced his candidacy for the nomination for Governor.

While Mr. Rickman has not a disrespectful word to say of the Reed boom, he took occasion to investigate the nature of the boomers who attended the Sedalia demonstration to do the whooping. The train had been chartered, and the major portion of the howlers were Kansas City employees and young fellows out for a good time who held free tickets and shouted "Rah! Rah! Rah! Poo! Bah! Poo Bah! Poo Bah! Reed's de man, Rah!" And some of them were paid a dollar each to keep up the bedlam. They were wild and woolly in their enthusiasm, especially after they had spent their dollars to whet up their dry throats. This was a fair illustration of the element that is now making a noise for Reed and which is being inspired in an effort by the anti-Folk machine leaders to offset the legitimate sentiment that prevails among the better class of Democratic forces who demand Mr. Folk as the logical candidate to lift the party above the mire of boodles and disgrace to which it has been dragged. If the better sentiment is baffled, the Democratic party will as surely be swamped. It is Folk or nobody, with all honest voters throughout the State.

### He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. ### Gone on the Mule.

John Snell, of Guthrie, was in Kansas City this week looking for stockers, says the Dover's Telegram. Mr. Snell comes from what is, perhaps the greatest mule producing county in the whole country and the heart of the great mule industry of Missouri. He says farmers and breeders in that section are now decidedly mule crazy. "You needn't go to Callaway county with any kind of a gold brick scheme this year and try to make it go," said he, "for the people are so dead stuck on mules that they are the only class of stock or article of commerce that will make money fast enough."

"Oil trust stocks and gold mines simply don't interest the Callaway county folks, for they are wedded body and soul, to mules. Little colts, barely weaned, are selling right on the farm for \$90 to \$100 per head and at this rate you see it pays like everything to grow mules. A few years ago we could not get that much for mules that we had developed for three or four years and thoroughly broke. Four hundred dollars per pair is no price to pay for good mules down our way. Show mules are commanding \$250 per head, and I know of one span that sold for \$600. They will probably be taken to the St. Louis fair and also to the Royal this fall. You will see our county well represented at the mule show here in October. We have the stock that will beat anything in the world and all we want is a good chance to show it where everybody will see it."

### MOTHERS

Who would keep their children in good health, should watch for the first symptoms of worms, and remove them with White's Cream Vermifuge. It is the children's best tonic. It gets digestion at work so that their food does them good, and they grow up healthy and strong. 25c by Witten Drug Co.

### Cheap Excursions to the South.

On Oct. 20th, the Kansas City Southern Ry. (Port Arthur Route) will run a cheap excursion from Kansas City and all stations in Missouri and Kansas to Lake Charles, Shreveport, Beaumont and Port Arthur. The rate for the round trip will be \$15.00, limited from date of sale, good to stop over on going trip at all points en route, provided final destination is reached inside of 15 days from date of sale. This exceptionally low rate, together with liberal stop over privileges allowed, should insure a great crowd, especially in view of the fact that this is the most delightful season of the year to visit the Southland. Similar low rates will probably be placed in effect from points north and east of Kansas City; ask your ticket agent.

Every effort will be made by the Company to secure the safety and comfort of its patrons. All inquiries relative to desirable locations to visit or other information will be cheerfully furnished. Address either S. G. Warner, G. P. & T. A., F. E. Roessler, T. P. & I. A. or J. H. Morris, T. P. A., Kansas City, Mo. Respectfully,

"If women would pay more attention to their health we would have more happy wives, mothers and daughters, and if they would observe results they would find that the doctors' prescriptions do not perform the many cures they are given credit for."

"In consulting with my druggist he advised McEne's Wine of Cardui and Theodore's Black-Draught, and so I took it and have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

Wine of Cardui is a regulator of the menstrual functions and is a most astonishing tonic for women. It cures scanty, suppressed, too frequent, irregular and painful menstruation, falling of the womb, whites and flooding. It is helpful when approaching womanhood, during pregnancy, after childbirth and in change of life. It frequently brings a dear baby to homes that have been barren for years. All druggists have \$1.00 bottles of Wine of Cardui.

### Beautiful Complexions

Are spoiled by using any kind of preparation that fills the pores of the skin. The best way to secure a clear complexion, free from sallowness, pimples, blotches, etc., is to keep the liver in good order. An occasional dose of Herbine will cleanse the bowels, regulate the liver, and so establish a clear, healthy complexion. 50c by Witten Drug Co.
